## **TTARA Statement on Texas Comptroller's Historic Biennial Revenue Estimate**

Texas Taxpayers and Research Association President Dale Craymer issued the following statement today in response to Texas Comptroller Glenn Hegar's release of a historic Biennial Revenue Estimate:

"A historic surplus calls for historic tax cuts. The numbers suggest Texas could have nearly \$50 billion more than lawmakers are allowed to spend under the state's spending limits. Consequently, lawmakers should make tax relief their top priority – taxpayers should not be asked to pay money to the state that it cannot use."
